

LO POLOKO

BIG TROPICAL BANG

ELECTRONIC PRESS KIT

ABOUT

“Mariachi balkan brass, bombastic latin grooves, rock guitar riffs, hyper energetic percussion, ... A unique combination of sounds designed to make you dance as if it would be the last day on Earth”

Lo Poloko is an eclectic collective of musicians whose roots run deep in Mexican, Chilean, Spanish, Portuguese and Italian cultures that found each other in Rotterdam.

Having latin music as a core concept, their music is a perpetual search for new sounds, shredding countless different styles into Lo Poloko machine. Rock, Ska, Cumbia, Balkan, Dub... they embrace them all, any color is embraced to create this unique amalgam they named as Big Latin Bang.

“Living la Covida Loca” is their debut album, released in 2023, 11 unique tracks inspired by their experiences lived during theses weird times, a mind-blowing sound journey all around the world, a real Big Tropical Bang!
